# Welcome Message

Dear Colleagues,

It is our distinct honor and privilege to extend a warm welcome to you for **NAPCON 2025 Patna**, the **27<sup>th</sup> Joint National Conference on Pulmonary Diseases**, held under the esteemed aegis of the **Indian Chest Society (ICS)** and the **National College of Chest Physicians (India)**.

Scheduled to take place in the culturally rich and historically significant city of Patna, Bihar, this landmark event will bring together more than 3,000 delegates from across India and around the world. We are proud to host an exceptional lineup of over 60 renowned international speakers and a distinguished array of national faculty, representing the pinnacle of expertise in pulmonology, critical care, and sleep medicine.

**NAPCON 2025** promises a comprehensive academic program, including high-impact workshops, plenary sessions, panel discussions, and interactive symposia—all meticulously curated to reflect the latest advancements in respiratory science, clinical practice, and healthcare innovation. Together, through collaborative learning and dialogue, we aim to shape the future trajectory of respiratory medicine

Complementing the academic agenda, we invite you to immerse yourself in Bihar's extraordinary cultural and spiritual heritage. Delegates and accompanying persons will have the opportunity to explore:

**The Buddha Circuit:** Bodh Gaya, Nalanda, and Rajgir—sacred sites where Lord Buddha attained enlightenment and shared his teachings.

**The Jain Circuit:** Vaishali, Pawapuri, and Champapuri—pilgrimage centers of great significance in the life of Lord Mahavira.

**The Ramayan Trail:** Including Sitamarhi, the birthplace of Goddess Sita, and other key locations linked to the epic journey of Lord Rama.

Adding to this unique experience will be vibrant **cultural evenings** featuring:

**Traditional Performances:** Authentic folk music and dance from Bihar, including Bhojpuri, Maithili, and Magahi traditions.

**Bollywood & Fusion Nights:** A celebration of music and camaraderie with contemporary entertainment.

We also encourage you to indulge in the culinary richness of the region with local delicacies such as **Litti Chokha, Khaja, Tilkut, Thekua, Makhana Kheer, and Sattu Paratha**, among many others

We sincerely hope that your time at NAPCON 2025 will be intellectually stimulating, culturally enriching, and personally rewarding. We look forward to your valued participation in what promises to be a landmark event in respiratory medicine.

Warm regards,
